

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Authorize City Manager to Submit Fiscal Year 2000/01 Environmental Enhancement and Mitigation (EEM) Program Grant Applications

MEETING DATE: November 3, 1999

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the City Manager to submit fiscal year 2000/01 Environmental Enhancement and Mitigation (EEM) Program grant applications for the following landscaping projects:

- 1) Kettleman Lane Median Landscaping (\$105,000)
(from Hutchins Street to Ham Lane)
The median is being constructed as part of the Kettleman Lane (Highway 12) and Crescent Avenue Traffic Signal/Median Project.
- 2) Hutchins Street Median Landscaping (\$135,000)
(from Harney to Kettleman Lane)
This gateway to Lodi is beautifully landscaped for a short stretch of median.
The Public Works Department seeks to extend the landscaping to Kettleman Lane.
- 3) Lower Sacramento Road Median Landscaping (\$250,000)
(from Turner Road to Harney Lane)
Although the original estimated cost is \$620,000 for landscaping, the EEMP's maximum award is \$250,000.

BACKGROUND INFORMATION: The EEM Program is designed to mitigate vehicular emissions of carbon dioxide through the planting of trees and other suitable plants on highways or public streets. Only new transportation projects, such as the Kettleman Lane/Crescent Avenue project and the Lower Sacramento Road widening project receive strong consideration. Hutchins Street from Kettleman Lane to Harney Lane is eligible because it is impacted by the median work on Kettleman Lane.

FUNDING: Not applicable.
